

Riverside Resilience Trainings

"What is Trauma Informed Care (TIC)?"

Join us for the **first training** of a **five-part series** on trauma informed practices. This training session will cover topics including:

- SAMHSA's principles of TIC
- Strategies to operationalize TIC
- Distinguishing between trauma-specific and trauma-informed
- Highlighting inclusivity, diversity and culture in TIC work

This (free!) training series is offered by **RUHS— Public Health** and the **California Center of Excellence for Trauma Informed Care**.

Please note that participants only need to attend **one of the sessions.*

Space is limited for each session.
