What is the IEHP CRC?

It’s the place where IEHP Members and the community can:

- Learn how to use IEHP benefits
- Take health and fitness classes
- Find out how to get affordable health coverage
- Connect with community programs

Who is it for?

IEHP Members and everyone in the community.

What will the CRC offer?

The CRC will offer many free resources – from IEHP Member Orientation sessions to classes like asthma management and Zumba fitness. Plus, the CRC can help uninsured individuals find out how to get affordable health coverage like Medi-Cal.

How do I refer my IEHP patients to the CRC?
