**Up to \$75,000 in P4P Incentives**

## How does this new incentive program benefit your office?

Under IEHP's New Global Quality P4P program, your Physician can earn an incentive of \$7,500 for each measure or up to \$75,000 for the year.

## What does this mean?

- Starting in January 2016, eligible physicians will now have two (2) ways to earn P4P incentives. This includes (1) the current P4P program and now (2) the new Global Quality P4P program.
- This Global Quality P4P program is new and will not replace the P4P programs already in place for IEHP physicians.
- To qualify for this new Global Quality P4P program, each eligible Physician must have at least 500 Medi-Cal Members assigned at the end of the measurement period (December 31, 2016) **AND** at least 30 assigned Medi-Cal Members in each Quality P4P measure.

The **current IEHP P4P Program** includes quality goal incentives for providing care to individual IEHP patients for each of the eight (8) selected quality measures listed below:

Quality Measure	Incentives for care given by eligible Physicians to eligible IEHP patients
Immunizations	\$9 flat rate (effective for date of service Jan. 1, 2016) plus potential \$150 bonus
Well-Child Visits	\$40 (from birth to 7th birthday)/\$50 (ages 11 to 19th birthday)
Pap Tests	\$50
Perinatal Services	\$225 for 1st trimester/\$100 for 2nd trimester/\$100 for 3rd trimester
Postpartum Services	\$200
Asthma	\$25 (up to \$100 for total program compliance)
DualChoice Annual Visits	\$200 (IEHP Direct PCP); \$100 (non-IEHP Direct PCP)
Diabetes	\$25 - \$50 (up to \$200 for total program compliance)
