

To: IEHP Trading Partners (Clearing Houses & Direct Submitters)
From: IEHP – EDI Department
Date: December 04, 2017
Subject: **Minimum Claim File Validation Requirements**

IMPORTANT UPDATE!

IEHP is committed to increasing the quality of claim submissions. This notification is to request all Trading Partners meet minimum validation requirements based upon HIPAA **WEDI** (Workgroup for Electronic Data Interchange) **SNIP** (Strategic National Implementation Process) regulations. Please ensure claim files pass the following levels of validation:

- WEDI SNIP Level 1 – EDI Syntax Integrity (Test for valid segments, segment order, numeric data elements)
- WEDI SNIP Level 2 – HIPAA Syntax Requirements (Test for implementation guide requirements i.e. repeat counts, qualifiers, codes, elements, segments)

NOTE: WARNINGS SHOULD NOT BE REJECTED

WHAT WE NEED FROM YOU:

Test files to be submitted in December with completion of testing and implementation in January 2018. Details for file submission testing will be sent shortly.

Should you have any questions, please e-mail our team at EDISpecialist@IEHP.org
