Subject: IEHP Correspondence Web Page

Inland Empire Health Plan (IEHP) has been utilizing faxes as one of the mediums to communicate with our Provider Network. The faxes that are sent are used to communicate:

- System updates
- Process/benefits changes
- Launch of new programs
- Notice of upcoming trainings and seminars
- Public health advisories

There are instances that a fax may not have been received due to a transmission error. To ensure that your office is receiving the most updated information, IEHP has created a Correspondence web page that maintains a record of all outgoing faxes. Please visit <https://ww3.iehp.org/en/providers/correspondence> for a listing of recent faxes sent by IEHP.

If you have any questions, please contact the Provider Relations Team at (909) 890-2054. Thank you.
