

The San Bernardino Metro NEXUS & Loma Linda University Present

Community Health Mixer 2017
Light refreshments will be provided

Monday, April 3rd 5PM-7PM
250 South G. Street, San Bernardino CA 92410

Inviting:
Health Pathway Educators . Health Professionals .
Business Partners . University Staff
& Community Officials

**Loma Linda University
San Manuel Gateway College**
250 South G. Street
San Bernardino, CA 92410

The purpose of the mixer is to bridge the gap between high school health educators and medical professionals. This will help open the door for work-based learning opportunities for high school students such as: career speakers, job shadowing, mentoring, workshops and seminars

Please join us in supporting tomorrow's health professionals.
