INLAND EMPIRE HEALTH PLAN

To: IPAs, PCPs and OB/GYN Providers
From: IEHP - Provider Relations
Date: July 12, 2017
Subject: **P4P Change – Cervical Cancer Screening**

IMPORTANT P4P CHANGES!!!!

As previously communicated, Inland Empire Health Plan (IEHP) continues to restructure the traditional, online Physician P4P incentive programs to align with the Global Quality P4P Program. **Effective August 1, 2017**, the following Physician P4P Program changes will be made:

- Pap Test Component will be renamed to Cervical Cancer Screening
- Eligible Members **must be 21 years of age or older, only**
- IEHP will **no longer pay for Members 18 years of age or sexually active**

IEHP will continue to pay \$50 for Cervical Cytology Screenings annually, formerly known as Pap Test.

Updated component overviews are available on the IEHP website at <https://ww3.iehp.org/en/providers/p4p-program/overview/>. For questions, please contact the Provider Relations Team at (909) 890-2054.
