IMPORTANT UPDATES!!!!

Inland Empire Health Plan (IEHP) is aware that the Child Health and Disability Prevention (CHDP) program will no longer be using the PM 160 claim form effective July 1, 2017.

IEHP is also preparing to retire the PM 160 form **however, we will not do so until December 31, 2017.**

We will continue to use the PM 160 form on our secure Provider Portal to collect Well Child and Immunization data for the P4P program until we finalize our program changes.

Updates will be provided in the months to come including plans for training and resources available on our Provider Portal. Thank you for your partnership and the reporting of Member data through encounters and our online P4P program forms.

As a reminder, all communications sent by IEHP can also be found on our Provider portal at the following address: <https://ww3.iehp.org/en/providers/correspondence/>
