This course meets the qualifications for 3.75 hours of continuing education credit for MFTs, LPCCs, LEPs and/or LCSWs as required by the California Board of Behavioral Sciences. CEUs are provided by PERFORMANCE, EDUCATION & RESOURCE CENTERS, PCE #2195. There is no cost for CEUs.

ACCREDITATION STATEMENT

The Loma Linda University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Loma Linda University School of Medicine designates this Live Activity for a maximum of 2.5 AMA PRA Category 1 Credit(s) TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLOSURE STATEMENT

This program has been planned and implemented in accordance with ACCME essentials and standards. The Loma Linda University School of Medicine Office of Continuing Medical Education relies on its CME faculty to provide program content that is free of commercial bias. Therefore, in accordance with ACCME standards, any faculty and/or provider industry relationships will be disclosed and resolved.

STATEMENT of PURPOSE

This program is designed to provide current, concise information on the Finnegan Neonatal Abstinence Score. Physicians and other Health Care providers will be able to better identify infants who suffer from neonatal opioid abstinence and better intervene on behalf of infants who suffer from neonatal opioid abstinence after attending this conference.
