Inland Empire Health Plan (IEHP) is launching redesigned Behavioral Health forms on **Wednesday, November 8, 2017**. These new forms will capture more accurate clinical information on the Member's care and simplify the process of submitting authorization requests to IEHP.

Providers will now only be required to submit two online forms: 1) an initial Behavioral Health Authorization Request Form; and 2) Coordination of Care Treatment Plan Request Form. Within these intuitive forms, Providers will be able to request additional services, notify IEHP of discharges and submit requests pertaining to autism.

If your office would like training on the new forms, please call the IEHP Provider Relations team to be connected to your PSR who will coordinate a training for your office.

As a reminder, all communications sent by IEHP can also be found on our Provider portal at the following address: <https://ww3.iehp.org/en/providers/correspondence/>.

If you have any questions, please do not hesitate to contact the IEHP Provider Relations Team at (909) 890-2054.
