Subject: **Hospitalist Authorization Referrals**

In the interest of ensuring that Members are referred timely to specialists upon discharge from the hospital, IEHP has granted Hospitalists access to our secure online eAuth form so they are able to submit referral requests.

We are alerting you to this so that when you see an authorization for your assigned Member that has not been submitted by your office, you understand the origin of this referral as part of our team of care working together to ensure our Members receive the services they need in a timely manner.

IEHP values your partnership in ensuring appropriate utilization, timely access and provision of care to our Members.

As a reminder, all communications sent by IEHP can also be found on our Provider portal at the following address: <https://ww3.iehp.org/en/providers/correspondence/>.

If you have any questions, please do not hesitate to contact the IEHP Provider Relations Team at (909) 890-2054.
