To: Medi-Cal IPAs, PCPs and Specialists
From: IEHP – Provider Relations
Date: September 22, 2015
Subject: Upcoming DHCS/DMHC Audits

The Department of Health Care (DHCS) and the Department of Managed Health Care (DMHC) are conducting a coordinated audit of Inland Empire Health Plan (IEHP) beginning on **October 5th, 2015 through October 16th, 2015**.

During the audit, DHCS auditors will be visiting physician offices to review facilities and speak with the office administrators or managers about operations as they pertain to the physician's service for IEHP Members and relationship to IEHP. We do not know which offices DHCS may choose to visit during the time period of October 5th, 2015 through October 16th, 2015.

We ask that you cooperate completely with DHCS if they visit your office including providing any medical records they may request.

Thank you and we appreciate your partnership with IEHP. If you have any questions, please call the IEHP Provider Relations Team at (909) 890-2054.
