Subject: **Regional Cancer Care Task Force Survey**

Regional Cancer Treatment Taskforce is conducting a survey to better understand the cancer experience in the Southwest Riverside region. Survey results will serve as an opportunity to improve cancer-related services and treatment options, and ease the burden of suffering on local cancer patients and their loved ones.

There are two individual surveys:

- For cancer patients, survivors, their families, and their caregivers
<https://www.surveymonkey.com/r/SW-Riv-Cancer-Community>
- For healthcare Providers.
<https://www.surveymonkey.com/r/SW-Riv-Cancer-Provider>

If you know others who would be well-suited to take either of these surveys, please send the survey to them as well. The more responses received, the better the results will be. Please make sure to submit your survey responses before **September 20, 2017**. Participants will have the opportunity to be entered into a drawing to win a \$100 Visa gift card.

Thank you for taking care of our Members. If you have any questions, please contact the IEHP Provider Relations Team at (909) 890-2054.
