Important Notice: Changes to Contraceptive Devices

Dear IEHP Pharmacy Provider,

Effective April 1, 2018, IEHP will be implementing a program for the dispensing and delivery of all Contraceptive Devices. This new program simplifies the request process and allows for return of unused devices in order to minimize waste.

How Prescribers Can Obtain a Contraceptive Device:

Contraceptive Devices are covered by IEHP when dispensed by our contracted network pharmacy provider, **Desert Hospital Outpatient Pharmacy**. Prescribers will need to fax a completed **IEHP Contraceptive Device Prescription Request Form** to Desert Hospital Outpatient Pharmacy. This contracted network pharmacy will coordinate the delivery of the Contraceptive Device directly to the prescriber's office. Desert Hospital Outpatient Pharmacy will include a return process for unused devices.

If you would like to reach out to Desert Hospital Outpatient Pharmacy they can be reached by phone (761)323-1001 or fax (877)354-6679.

If you have any additional questions, please feel free to contact us at (909) 890-2049 between 8:00 AM -5:00 PM Monday through Friday. Thank you for your attention to this matter.

Sincerely,

IEHP Pharmaceutical Services
