## Important Notice: Immunization Requirements – CAIR Enrollment and Training

Dear IEHP Pharmacy Provider,

As previously communicated on April 6, 2018, IEHP notified our Pharmacy Network Providers of the State's immunization reporting requirements in regards to the 14 day reporting standard for CAIR (California Immunization Registry). IEHP will be monitoring our network's performance, and pharmacies not abiding by these regulatory requirements may be subject to recoupment or exclusion from the IEHP vaccine network.

Pharmacies will need to enroll in CAIR to submit vaccination information, and pharmacists will need to enroll to view CAIR immunization records.

For complete enrollment and training information, see CAIR website at [www.cairweb.org](http://www.cairweb.org). CAIR information specifically geared towards pharmacists can be found at: <http://cairweb.org/home/pharmacies-and-cair/>.

The CAIR Help Desk is available for Providers from 8am to 5pm weekdays at (800) 578-7889.

If you have any additional questions, please feel free to contact us at (909) 890-2049 between 8:00 AM -5:00 PM Monday through Friday. Thank you for your attention to this matter.

Sincerely,  
IEHP Pharmaceutical Services
