Subject: **Organizational Funding Opportunity for ACEs Aware Initiative**

The California Department of Health Care Services (DHCS) in conjunction with the Office of the California Surgeon General (CA-OSG) is supporting standardized Adverse Childhood Experiences (ACEs) screening services on an ongoing basis for all children and adults up to age 65 with full-scope coverage, as well as Provider training for the trauma screening.

DHCS and CA-OSG are looking for partners to join the movement to ensure everyone is ACEs Aware.

ACEs Aware will fund organizations to help extend the reach and impact of this initiative through the following opportunities:

- **Provider Training**
 - **Certification of Existing Training Curricula**
 - **Training Grants**
- **Provider Engagement Grant**
- **Communications Grant**
- **Convenings Grant**

The information on the ACEs Aware Request for Proposals Provider Training, Engagement and Communications can be found at <https://www.acesaware.org/wp-content/uploads/2019/12/ACEs-Aware-Grant-RFP-Draft-12.4.19-.pdf>.

Lead organizations must complete and submit the application(s) and any supporting material for each grant opportunity they are applying for to info@ACEsAware.org by February 10, 2020, at 5:00 pm PT.

For more information, visit ACEsAware.org. Questions about the initiative may be sent to info@ACEsAware.org.
