**Date:** February 13, 2020  
**Subject:** **Resources: 2019-nCoV (Novel Coronavirus)**

---

---

The Centers for Disease Control and Prevention (CDC) is closely monitoring an outbreak of respiratory illness caused by a novel (new) coronavirus first identified in Wuhan, Hubei Province, China which has resulted in thousands of confirmed cases in China, including cases outside Wuhan City. Additional cases have been identified in a growing number of other international locations including the United States.

Inland Empire Health Plan (IEHP) would like to provide you the following resources with information regarding preparedness activities and the latest news and updates about the **2019-nCoV (Novel Coronavirus)** from reputable sources like the Centers for Disease Control and Prevention (CDC), Riverside County Public Health and the Riverside County Medical Association (RCMA).

CDC's Interim Guidance for Healthcare Professionals:
