Subject: **2020 Global Quality P4P – Roster Update**

Inland Empire Health Plan (IEHP) is pleased to announce the addition of NEW Global Quality P4P (GQ P4P) Provider rosters. IEHP encourages you leverage the rosters below to increase your efforts in improving quality of care to IEHP Members. You can view the updates mentioned below on the secure IEHP Provider portal.

Rosters Available March 1, 2020:

- **Adult BMI Roster:**
 - Identify Members who have had an office visit within the year and are due for their BMI assessment
- **Chlamydia Screening in Women:**
 - Identify Members who are sexually active and are due for their chlamydia screening
- **Controlling High Blood Pressure:**
 - Identify those Members diagnosed with hypertension and are due for the blood pressure screening
- **Screening for Clinical Depression:**
 - Identify Members who have had an office visit within the year, and are due for the depression screen
- **Diabetes Care- HbA1c <8:**
 - Identify Members who are diagnosed with diabetes and who are due for their HbA1c test or have completed the HbA1c lab test and view the lab result value
- **Inpatient Discharge Roster:**
 - Identify Members who have been discharged from an inpatient hospital stay
 - View Members risk score
 - Identify due date for follow-up visit to be completed

Thank you for your continued partnership in providing quality healthcare to IEHP's Members.
