Subject: Behavioral Health Contractual Amendment - UPDATE

You recently received an Amendment to your IEHP Provider Agreement with an effective date of **April 1, 2020**.

Due to the focus of the healthcare community on combating COVID-19 and the impact on our Members, we have made the decision to postpone the implementation of this Amendment. We will re-evaluate this later in the year when our communities and the healthcare industry are more stabilized.

There is no action required of you at this time. Your current Agreement will remain in effect.

Thank you for providing care to our Members during this difficult time.
