Subject: **COVID-19 Physician Volunteers Program**

Inland Empire Health Plan (IEHP) would like to notify you that Riverside County is about to face an unprecedented surge of patients needing care which will overload their local healthcare system with potentially deadly consequences.

In the coming days or weeks, we are asking ALL physicians, active, retired, residents and medical students to rise to the challenge and volunteer their time and talent to our impacted communities across Riverside County regardless of specialty.

In collaboration with Riverside County Department of Public Health (CDPH), Riverside County Medical Association (RCMA) is calling on physicians to respond. Please take a moment to complete survey below and we will contact all submitters with opportunities to help in the areas most needed.
