Subject: **UPDATED: Testing Available for IEHP Members at SAC Health System’s G Street Location**

Beginning on Wednesday, March 25th, SAC Health System is offering testing for IEHP Members at their main campus, located at 250 South G Street, San Bernardino.

IEHP Members do not need to be assigned to SAC Health Systems to schedule a telephone appointment with a clinician to determine if COVID-19 testing is needed or to have the COVID-19 test done by SAC Health System.

Members can call (909) 771-2911 to schedule a telephone appointment with a clinician. The clinician will do a phone visit where they evaluate the Member and determine if they need COVID-19 testing.

If a Member needs testing, they will be directed to the outdoor Garden Clinic at SAC Health System’s 250 South G Street location for testing.

SAC Health Systems will follow up with the Member regarding results when available (typically 3 – 5 days).

Please note: SAC Health Systems has reported that they do have capacity on a daily basis to provide more tests than are currently being requested.
