

To: IEHP- Global Quality P4P PCP Participants
From: IEHP – Provider Relations
Date: April 21, 2020
Subject: 2020 Global Quality P4P Program- PROGRAM GUIDE UPDATE

Important updates have been made to the **2020 Global Quality P4P (GQ P4P) Program Guide** and are available in the Provider section of the IEHP website at <https://iehp.org/en/Providers>. The 2020 GQ P4P Program Guide update includes:

- **Measure Tier Goals:** Updated tier goals for all measures
 - Tier 1: 10% reduction in non-compliance & improvement of at least 2% points
 - **Tier 2:**
 - If baseline is below the 50th percentile, then 20% reduction in non-compliance and must meet the 50th percentile.
 - If baseline is at or above the 50th percentile, then improvement of at least 2 % points.
 - **Tier 3:** 75th percentile – using national Medicaid benchmarks
 - **Tier 4:** 90th percentile – using national Medicaid benchmarks

- **Post Discharge Follow- Up**
 - Updated language in measure description to reflect the ACG high risk score as greater than or equal to 0.5
 - Added code 99495 to the follow- up visit numerator table. Code 99495 can only be used for non-high-risk Member follow-up visits.
 - **Measure start date: April 1, 2020**

- **Screening for Clinical Depression in Primary Care:**
 - Change in measure description to reflect addition of the documentation of depression screening result after Member is screened for depression. This measure is now a two-part measure that includes the screening for depression rate and the documentation of the depression screen result rate. **Both measures are combined to create an average score.**
 - **Measure start date: April 1, 2020**

- **Historical Data Form:**
 - Updated historical data form which now includes the addition of the following measures:
 - Prenatal Care Visit
 - Depression Screening for Adults and Adolescents

- **Concurrent Use of Opioids and Benzodiazepines**
 - Updated measure language with details on how the measure is calculated

Please review the updated program guide and update your processes as needed. Thank you for your continued partnership in providing quality healthcare to IEHP's Members.
