

A Public Entity

Inland Empire Health Plan

To: Medicare IPAs
From: IEHP – Provider Relations
Date: May 28, 2020
Subject: **Notice of New Report: Prior IPA Assignment for Newly Transferred Members**

IPAs are required to ensure continuity and coordination of care for their new Members. To help with this, Inland Empire Health Plan (IEHP) would like to introduce a new report **Prior IPA Assignment for Newly Transferred Members**.

We hope this new report will help you to get the information necessary to support continuity and coordination of care for Members who have newly transferred to your care from another IPA. We recommend IPAs use this report to reach out to the Member's previous IPA to request this information to support Member care. Important information includes, but is not limited to, assessment, Individual Care Plan (ICP), and other pertinent information. This report will be provided to your IPA on a monthly basis.

The report will be available on the 1st business day of each month on the Secure File Transfer Protocol (SFTP) server in the following location: /IPA Folder/Prior_Assign_Transfered_Mmbrs/.

Thank you for your continued partnership to improve the quality of care provided to IEHP Members by supporting continuity and coordination of their care.

As a reminder, all communications sent by IEHP can also be found on our Provider portal at: www.iehp.org > For Providers > Plan Updates > Correspondence.

If you have any questions, please do not hesitate to contact the IEHP Provider Relations Team at (909) 890-2054.
