URGENT – RESPONSE REQUIRED

Given the recent wildfires and power outages in California, Inland Empire Health Plan (IEHP) would like to understand the emergency plan each facility has in place in the event of a power outage or evacuation.

Sharing emergency plan information will allow IEHP to consider the facility emergency plan when managing emergent situations which impact Members under your care.

**Please submit a copy of your emergency plan to IEHP by Wednesday
November 6, 2019.**

**Emergency plans can be submitted via fax to (909) 477-8547 or via
email to huang-s@iehp.org.**

As a reminder, all communications sent by IEHP can also be found on our Provider portal at: www.iehp.org > For Providers > Plan Updates > Correspondence.

If you have any questions, please do not hesitate to contact the IEHP Provider Relations Team at (909) 890-2054.
