Using the CCS-Provider Search Tool

*This application is to assist in locating CCS-paneled providers within the six Inland Empire and surrounding counties.*

1. Open the Application: DHCS – CA Children Services Providers
2. Choose the small medical bag with the red cross
3. Select the "Provider Type" (i.e. specialty needed)
4. All CCS-Paneled Providers for that specialty will pop up as dots on the map.
5. Zoom in to a general area, or "search" by the city, address, or county of interest.
6. Scroll over any blue dot to view the Provider details.
7. That's all, folks!
