Which people are on the interdisciplinary team?

A Physician, Nurse Practitioner, registered nurse, social worker, and spiritual counselor. Some teams also have access to a pharmacist, dietician and home health aides.

What are the eligibility requirements?

During a program consultation visit, a physician will assess the patient, looking to see if he or she meets program criteria listed on the IEHP website. Visit [www.iehp.org](http://www.iehp.org) and search under “Utilization Management Criteria," subtopic “Other” and click on “My Path.”

Is there a certification process similar to hospice?

Patients must meet criteria to be eligible for this ongoing in-home program. They will need to be recertified every 12 months.
What general services does the program offer?

24/7 access to a My Path team led by a physician to:

- Address distressing symptoms
- Provide IV fluids
- Perform wound care
- Coordinate other home health needs
- Work with patient’s current providers
- Provide medication management

Core services of the program:

- Advanced care planning
- Palliative care assessment & individualized written plan of care
- Mental health services
- Social needs assessment
- Connection to community resources
- Care Coordination

How long do we expect patients to stay in the program?

There is no time limit. The program targets Members with a prognosis of 2 years or fewer.

What are the implications for Medicare and Medi-Cal?

My Path is a Medi-Cal benefit. All Medi-Cal beneficiaries are eligible. Also, IEHP provides the benefit for IEHP Direct DualChoice Members (only Direct).

How do you refer your IEHP patient?

Submit a referral request to IEHP for a My Path Palliative Care consultation.
