### Performance Summary Keys:

↓	Indicates a decrease in the percentile ranking as compared to the previous measurement year. Each arrow down reflects a level of change in the percentile ranking. (e.g. a measure that went from the 75th percentile to the 50th percentile will display one down arrow)
↑	Indicates an increase in the percentile ranking as compared to the previous measurement year. Each arrow up reflects a level of change in the percentile ranking. (e.g. a measure that went from the 25th percentile to the 75th percentile will display two up arrows)
↔	Indicates no change in the percentile ranking as compared to the previous measurement year.
