Subject: New DHCS Drug Use Review (DUR) Board Educational Articles

Dear IEHP Provider,

We review the DHCS DUR Board Educational Articles regularly for important information we can pass on to our Provider Network to improve the quality and cost-effectiveness of prescribing and dispensing practices for Medi-Cal members.

Educational interventions include ongoing dissemination of information through the Medi-Cal provider bulletin process about clinically important, drug-specific therapy problems.

Please find below recent articles that may benefit your practice.

No Added Benefit from Concomitant Use of GLP-1 Agonists and DPP-4 Inhibitors was published August 30, 2023

This and other articles can be found here:
