

Monthly Medicare Care Management Log 2.3 Instructions & Data Dictionary

Instructions: Submit a monthly report of Care Management completed in the reporting month. The Care Management activities that are being captured on this log are assessments, Individualized Care Plan (ICP) and referrals. Send records that are new or have an update from a previous submission (e.g. updated date of care goal discussion). Refer to the data dictionary for specifics on what each field should contain. Do not alter the templates in any way (e.g. adding or deleting columns or header rows). Always submit the most current template in Excel (.xlsx) format.
